

SBA Government Contracting Area Director; any concern or other interested party that has been adversely affected by a Government Contracting Area Director's decision; or the SBA Associate Administrator for the SBA program involved. The appeal must be filed with the—

Office of Hearings and Appeals, Small Business Administration, Suite 5900, 409 3rd Street, SW., Washington, DC 20416

within the time limits and in strict accordance with the procedures contained in subpart C of 13 CFR Part 134. It is within the discretion of the SBA Judge whether to accept an appeal from a size determination. If the Judge decides not to consider such an appeal, the Judge will issue an order denying review and specifying the reasons for the decision. The SBA will inform the contracting officer of its ruling on the appeal. The SBA decision, if received before award, will apply to the pending acquisition. SBA rulings received after award shall not apply to that acquisition.

(j) A protest that is not timely, even though received before award, shall be forwarded to the SBA Government Contracting Area Office (see paragraph (c)(1) of this section), with a notation on it that the protest is not timely. The protester shall be notified that the protest cannot be considered on the instant acquisition but has been referred to SBA for its consideration in any future actions. A protest received by a contracting officer after award of a contract shall be forwarded to the SBA Government Contracting Area Office with a notation that award has been made. The protester shall be notified that the award has been made and that the protest has been forwarded to SBA for its consideration in future actions.

(k) When a concern is found to be other than small under a protest concerning a size status rerepresentation made in accordance with the clause at 52.219–28, Post-Award Small Business Program Rerepresentation, a contracting officer may permit contract performance to continue, issue orders,

or exercise option(s), because the contract remains a valid contract.

19.303 Determining North American Industry Classification System (NAICS) codes and size standards.

(a) The contracting officer shall determine the appropriate NAICS code and related small business size standard and include them in solicitations above the micro-purchase threshold.

(b) If different products or services are required in the same solicitation, the solicitation shall identify the appropriate small business size standard for each product or service.

(c) The contracting officer's determination is final unless appealed as follows:

(1) An appeal from a contracting officer's NAICS code designation and the applicable size standard must be served and filed within 10 calendar days after the issuance of the initial solicitation. SBA's Office of Hearings and Appeals (OHA) will dismiss summarily an untimely NAICS code appeal.

(2)(i) The appeal petition must be in writing and must be addressed to the—

Office of Hearings and Appeals, Small Business Administration, Suite 5900, 409 3rd Street, SW., Washington, DC 20416

(ii) There is no required format for the appeal; however, the appeal must include—

(A) The solicitation or contract number and the name, address, and telephone number of the contracting officer;

(B) A full and specific statement as to why the size determination or NAICS code designation is allegedly erroneous and argument supporting the allegation; and

(C) The name, address, telephone number, and signature of the appellant or its attorney.

(3) The appellant must serve the appeal petition upon—

Federal Acquisition Regulation

19.304

(i) The SBA official who issued the size determination;

(ii) The contracting officer who assigned the NAICS code to the acquisition;

(iii) The business concern whose size status is at issue;

(iv) All persons who filed protests; and

(v) SBA's Office of General Counsel.

(4) Upon receipt of a NAICS code appeal, OHA will notify the contracting officer by a notice and order of the date OHA received the appeal, the docket number, and Judge assigned to the case. The contracting officer's response to the appeal, if any, must include argument and evidence (see 13 CFR Part 134), and must be received by OHA within 10 calendar days from the date of the docketing notice and order, unless otherwise specified by the Administrative Judge. Upon receipt of OHA's docketing notice and order, the contracting officer must immediately send to OHA a copy of the solicitation relating to the NAICS code appeal.

(5) After close of record, OHA will issue a decision and inform the contracting officer. If OHA's decision is received by the contracting officer before the date the offers are due, the decision shall be final and the solicitation must be amended to reflect the decision, if appropriate. OHA's decision received after the due date of the initial offers shall not apply to the pending solicitation but shall apply to future solicitations of the same products or services.

19.304 Disadvantaged business status.

(a) To be eligible to receive a benefit as a prime contractor based on its disadvantaged status, a concern, at the time of its offer, must either be certified as a small disadvantaged business (SDB) concern or have a completed SDB application pending at the SBA or a Private Certifier (see 19.001).

(b) The contracting officer may accept an offeror's representation that it is an SDB concern for general statistical purposes. The provision at 52.219-1, Small Business Program Representations, or 52.212-3(c)(4), Offeror Representations and Certifications-Commercial Items, is used to collect SDB data for general statistical purposes.

(c) The provision at 52.219-22, Small Disadvantaged Business Status, or 52.212-3(c)(8), Offeror Representations and Certifications-Commercial Items, is used to obtain SDB status when the prime contractor may receive a benefit based on its disadvantaged status. The mechanisms that may provide benefits on the basis of disadvantaged status as a prime contractor are a price evaluation adjustment for SDB concerns (see Subpart 19.11), and an evaluation factor or subfactor for SDB participation (see 19.1202).

(1) If the apparently successful offeror has represented that it is currently certified as an SDB, the contracting officer may confirm that the concern is identified as a small disadvantaged business concern by accessing SBA's database (PRO-Net) or by contacting the SBA's Office of Small Disadvantaged Business Certification and Eligibility.

(2) If the apparently successful offeror has represented that its SDB application is pending at the SBA or a Private Certifier, and its position as the apparently successful offeror is due to the application of the price evaluation adjustment, the contracting officer shall follow the procedure in paragraph (d) of this section.

(d) Notifications to SBA of potential awards to offerors with pending SDB
